Dave Zartman, WDB Chairperson
Advance Central PA
130 Kelly Square, Suite 1
Lewisburg, PA 17837

Dear Mr. Zartman,

The Pennsylvania Department of Labor & Industry, or Department, has approved the Central Workforce Innovation and Opportunity Act (WIOA) Program Year (PY) 2021-2024 regional plan modification with conditions. Please see a copy of the “conditions” attached. A regional plan modification, and its associated local plan modification, must be fully compliant with all federal and state statutes, regulations, policies, and grant agreements to receive full approval by the Department. Per WIOA, this conditional approval extends to the local plan associated with the local workforce development area that composes this region.

Currently, the Department is coordinating with representatives of Central to finalize components of the local area plan modification. Conditional approval is effective through the end of the calendar year (i.e., December 31, 2023). Upon acceptance of all required items by the Department, the regional plan modification and its associated local plan modification will be fully ratified and full approval will be extended through June 30, 2025.

Approval of this plan modification does not constitute approval of any practice that conflicts with federal and state statutes, regulations, or policies, nor does approval preclude the commonwealth from, at its discretion, readdressing any part of the plan if content is found that conflicts with such statutes, regulations, or policies.

You and your staff are to be commended for your successful efforts to develop the PY 2021-2024 plan modification in alignment with WIOA and the Commonwealth’s WIOA Combined State Plan Modification.

Please direct specific questions regarding your plan, the planning process and/or future requests for plan modification to Christopher Manlove at (717) 787-9804 or cmanlove@pa.gov.

Sincerely,

Brenda Duppstadt
Bureau of Workforce Development Administration Director
