1. Can you advise whether the attorney's presence at the meetings for the LEO Board, the Central Workforce Development Board, and the standing committees may be virtual? If in-person presence is required, can you advise where the meetings generally occur?

Answer: The attorney's presence at the LEO and Workforce Development Board meetings (held back to back) must be in-person. For standing committees, virtual options may be available, depending on the meeting. All meetings will take place in Lewisburg, PA.
