Advance Central PA Participates in FCFP Raise the Region

Advance Central PA recently wrapped up its participation in the 2025 Raise the Region giving campaign. As first-time participants, and in celebration of our 25th anniversary, we want to say “Thank You” for the generosity of our community, donors, and partners who made our participation possible. Whether you contributed, donated, or helped spread the word, your support allows us to empower individuals, strengthen our workforce, and build brighter futures for the next 25 years and beyond within Central Pennsylvania.

Raise the Region, hosted by the First Community Foundation Partnership of Pennsylvania (FCFP), is an annual online giving event designed to support local nonprofits in expanding their reach and advancing their work. Through this initiative, donors had the opportunity to invest in workforce development, economic opportunities, and the future of Central Pennsylvania. This year’s FCFP Raise the Region results can be found [HERE](#).

If you didn’t get a chance to donate during Raise the Region, you can still support our mission year-round by donating at donorbox.org/donate-to-advance-central-pa or using the link below.
